

7th Maryland Volunteer Infantry

The following list of sutlers has been compiled by the Sutler Review Committee. This sutler guide is intended to assist new and current members in purchasing new, upgrade, and replacement equipment and clothing. While the list is mildly exhaustive of sutlers made known to us, it is not exclusive to potential additions. If you find an item at a sutler not appearing on this list please forward the information to the Sutler Review Committee for review. Thank you.

★ **Premium List:** Items sold by these vendors are the highest quality you will find. You are safe buying uniform/camp items in accordance with our Maryland volunteer impression and may be assured that they are period correct.

★ **Intermediate List:** Items sold by these vendors vary in their quality and authenticity. You will find uniform/camp items that are in accordance with our Maryland volunteer impression, but you are strongly urged to consult with a member of the Sutler Review Committee before making any purchase.

★ **Civilian List:** Premium List: Items sold by these vendors are the highest quality you will find. You are safe buying clothing/camp items in accordance with our 1860s civilian impression and may be assured that they are period correct.
